The screenshot shows the website interface for 'DIPA DAN POK' (Budget Execution and Post-Execution). The header includes the logo of the 'PUSAT STANDARDISASI INSTRUMEN PERKEBUNAN' and navigation links: BERANDA, ORGANISASI, INFORMASI PUBLIK, PUBLIKASI, REFORMASI BIROKRASI, and KONTAK. The main content area is titled 'DIPA DAN POK' and contains a descriptive paragraph: 'Daftar Isian Pelaksanaan Anggaran (DIPA) adalah dokumen pelaksanaan anggaran yang disusun oleh Pengguna Anggaran/Kuasa Pengguna Anggaran.' Below this, there is a search bar and a table of entries. The table has columns for 'No.', 'Nama/ Judul', 'Tahun', and 'File'. The first entry is highlighted with a red box:

No.	Nama/ Judul	Tahun	File
1	DIPA PSI Perkebunan Tahun 2024	2024	 
2	DIPA	2023	 
3	POK PSI Perkebunan Tahun 2023	2023	 

Below the table, it says 'Showing 1 to 3 of 3 entries' and 'Previous 1 Next'. At the bottom of the page, there is a footer with contact information and a map. A red arrow points from the highlighted entry in the table to a separate box below containing the text 'DIPA PSI Perkebunan 2024'.
